## WHO WE ARE

### **Tevereterno: United States**

Founded in 2001 by artist Kristin Jones, Tevereterno is a U.S. nonprofit organization dedicated to the establishment and ongoing stewardship of Piazza Tevere—the first and largest public space for contemporary art on Rome's urban waterfront. Since 2005, Tevereterno has brought free cultural programming and contemporary art projects to the heart of the Eternal City as part of a long-term urban place-making initiative dedicated to the revitalization of Rome's urban waterfront. Tevereterno is a sponsored project of the New York Foundation for the Arts (NYFA), a 501(c)(3), tax-exempt charitable organization.
